

**When the Time Comes**  
*Genesis 41 | October 25, 2026*

**Egyptology** (Gen. 41:1–2)

Why would God use Egyptian cultural imagery in Pharaoh's dreams?

Do you think God still speaks through culture to us today?

**Evil Consumes Good** (Gen. 41:3–7)

Where have you seen evil consuming what's good in your life?

Do you believe in the concept of "fate"? Why or why not?

**Dreams** (Gen. 41:8; Job 33:15–18)

Why would God choose to warn Pharaoh when he wasn't "one of His"?

**Remembering Joseph** (Gen. 41:9, 15–16, 25–36; James 1:5)

How did Joseph demonstrate humility and faithfulness when his opportunity finally came?

How does God partner with your wisdom in bringing about change in your life?

**The Right Time** (Gen. 41:37–40; Galatians 6:9)

Where are you tempted to give up because you aren't seeing the results you hoped for?

**Trust = Action** (Gen. 41:46–49, 54–57; Malachi 3:10)

What's one way you could put your trust in God into action this week?

How can you use the gifts, resources, or opportunities God has given you to bless others?

**Take It Home**

What is God asking you to trust Him with, even when you can't see how things will turn out or control the outcome?

How does Jesus' example of faithfully enduring suffering and using His life to serve and save others challenge the way you live?
