

HURRY UP AND WAIT

Genesis 40 | October 18, 2026

In God's Time / Galatians 6:7-9

What does it mean to “become weary in doing good”?

Why do we want to dictate the outcome and timing of our harvest?

Faithfully Serving / Genesis 40:1-4; 1 Peter 2:12

How do you typically respond when life feels unfair? What are you tempted to do?

He Noticed / Genesis 40:5-8

How did Joseph's struggles affect his care for others?

How have your own struggles affected how you “*love your neighbour*”?

Restored / Genesis 40:9-15

How have you responded when others experience the blessings you're still waiting for?

Speaking Truth / Genesis 40:16-19

What are the dangers of staying silent or telling a “*white lie*” when truth should be told?

Forgotten / Genesis 40:20-23

If you were Joseph, how would being forgotten by the cup bearer affect your outlook on God?

Take It Home

The challenge of Joseph's story is that *we cannot always control our circumstances, but we can choose how we live in them - and trust Him with our next chapter...*

What are some ways that I've abandoned faithfulness to God because of my own disappointment in how life has turned out?

In what ways is God asking me to renew my faithfulness to Him?

Prayer: *God, help me to remain faithful when life doesn't unfold as I hoped. Help me to notice others, serve them with what you've given me, speak honestly, and trust you with the things I can't control. Amen.*
